

responsAbility

responsAbility is one of the world's leading asset managers specializing in development-related sectors of emerging economies. responsAbility provides debt and equity financing to non-listed companies with business models that target the lower-income section of the population and can thus drive economic growth and social progress.

responsAbility is proud to be an equal opportunity employer. Our commitment is to provide you with the best possible recruitment experience along with a neutral assessment of your CV and application. Your skill set, education and experience are what we focus on. We therefore kindly ask you to support us on this matter by refraining from putting any personal details (such as picture, gender, marital status etc.) on your CV or motivation letter.
