

Graduate Trainee Program for 12 months Private Equity and/ or Real Estate Analyst

Studer Family Office AG manages and invests assets of the Studer family and their dear friends. We manage our assets holistically and yield-oriented to secure financial stability for our future generations. We are independent in our spirit and actions and are committed to promote a positive impact on the society and our environment.

We offer you an opportunity to prepare yourself for a career in private equity, venture capital, real estate or investment banking. This Graduate Trainee Program (GTP) at the Studer Family Office AG has a duration of 12 month.

As our future GTP at the Studer Family Office, we offer you valuable experience and provide you a chance to work together with experienced leaders from the industry including our partners on sustainable and innovative projects. You will be supported and part of our dedicated team and assigned clear responsibilities. As our GTP you will be expected to take ownership of your responsibilities and help shape the future of our company.

Daily operations are:

- Research and analyse markets, sectors (especially financial services, technology and the real estate sector) and companies
- Analyse and verify business models, financial models and strategies
- Prepare investment memorandum including supporting documents and financial strategies

We are looking for:

- Outstanding talents holding a master's degree from a leading university in either:
 - Business administration, finance, economics or accounting
 - Natural sciences, computational science or engineering
 - Real estate, engineering, management or architecture
- Strong analytical capabilities and computer skills
- Exceptional skills in accounting, relevant accounting principles and valuation
- Excellent verbal and written communication skills
- Full working proficiency in German and English
- High level of proficiency in Word, PowerPoint and Excel (VBA-programming) is required
- The ability to work reliably under pressure while maintaining a passion for excellence and focus on details
- Ownership and entrepreneurship

Our offer:

- Meaningful, on-the-job experience, the chance to work on real projects and learn from experts and leaders in the investment banking industry
- Comprehensive activities in the young and emerging family office sector
- The opportunity to take responsibility
- To actively shape the future of our company and our investments
- Clear responsibilities and short decision paths
- Flexible time management
- Modern infrastructure (Bauhaus office style, cloud IT, best coffee in town, standing/ sitting tables)
- Parking available

Have we piqued your interest? We are looking forward to receiving your application (letter of application or motivation, curriculum vitae with photo, educational certificates, job references).

Please send your application to roger.studer@studerfamilyoffice.com. Dossiers from agencies will not be considered. We will treat your application strictly confidential. We are at your disposal for any further questions.
