1.02. - 31.07.2021

---

**Place of employment**

Bern

---

**Professional experience**

University students / graduates

---

**Reference number**

21529

---

## Our common goal

Valuu has successfully launched in Switzerland and we are now growing our company at a rapid rate. As part of the Growth & Analytics team, you will improve and drive the entire growth journey vertically and horizontally by helping to define the strategic course Valuu will take in the future, and by creating and executing initiatives within the current business streams.

Small team, flat hierarchy and mission driven. The usual buzzwords here, except we actually mean them. We are small, lean, and we love what we are doing.

## How you can make a difference

- Identify growth opportunities based on quantitative and qualitative analysis and execute ideas to drive growth, traffic and engagement
- Understand business trends based on data and propose clear actions
- Nurture current and develop new business opportunities and strategic partnerships
- Continually improve analysis and performance for fact-based decisions
- Communicate and present ideas and improvements across the company, including working closely with the management team

## What you can contribute

- Currently enrolled in a bachelor's programme in business administration, management, business informatics, information systems or a related field of study
- Be data-driven: clear understanding of data, analysis, metrics and statistics
- Ambition and motivation to create growth every day and see the results and performance of your impact
- Startup mindset, previous startup experience is a plus
- Fluent in German and English

## Here's why you should get started with us

- At PostFinance, we all cooperate on an equal footing, regardless of management level.
- Showing respect and recognition is just as natural for us as providing a fair salary.

- Six weeks' holiday and the option of unpaid leave.
- Numerous opportunities to advance your career and options for basic and advanced training at any level.
- Modern workspaces, flexible working hours and the option of working from home in many units.
- 18 weeks of paid maternity leave, two weeks of paid paternity leave and the right to four additional unpaid weeks.
