Intern Full Stack Development (f/m)

60 - 100% | Baden

As our Intern Full Stack Developer, you contribute with your expertise and commitment to the success of Axpo. In this role, you take responsibility for delivering value to business, while enjoying the freedom and flexibility to introduce and implement your own ideas.

What you will do

- You will be responsible for enhancing applications managed by the Full Stack Team (C#.NET, Angular)
- You will learn and apply best industry practices in software development in highly experienced team

What you bring & who you are

- You are smart and an enthusiastic person with a Bachelor's degree in Computer Science or a quantitative subject such as applied Math or Physics
- You have some experience with object-oriented programming (ideally using C#.NET); if have knowledge of Python, R or Angular this would be an advantage
- You want to further improve your software development skills by working with seasoned professionals in this field
- You are fluent in English (written & oral)

About us

Axpo is Switzerland's largest producer of renewable energy, as well as an international leader in energy trading and the marketing of solar and wind power. We develop innovative energy solutions for our customers based on state-of-the-art technologies in over 30 countries in Europe, the USA and Asia. Around 5,000 employees work on exciting and challenging tasks, contribute their ideas and solutions and put them into practice. Our entrepreneurial way of

thinking and acting helps us develop innovative and sustainable energy solutions for our customers. We have an open corporate culture, treat each other with respect and value diversity. We therefore welcome applicants regardless of gender, nationality, ethnic or social background, religion or ideology, disability, age, sexual orientation or identity.

About the team

Our team continuously aims at delivering the most value to our colleagues in Axpo. We are a dynamic, international team that values the skills and strengths of each team member. We believe that regardless of where we are we can always improve. This way we ensure that each of us and the team as a whole contribute to Axpo's success.
