

Financial Data Analyst for Railway Operations (f/m/d) 60-100%

HOW YOU CAN MAKE AN IMPACT

- Conduct benchmarking and data analysis to manage costs across project and product life cycles
- Ensure data integrity for strategic decision-making and optimization
- Collaborate with project teams and Maintenance Engineering department to optimize life cycle costs and streamline operations
- Provide regular financial reporting and insights to the Top Management.
- Facilitate interdepartmental communication to achieve financial goals and operational efficiency
- Develop and maintain automated analysis tools, such as dashboards, for real-time budget and cost monitoring

HOW YOU WILL CONTRIBUTE

- Completed degree in Business Administration, Finance, or a related field
- Proficiency in Microsoft Office
- Strong analytical and problem-solving skills
- Keen interest in budget management and cost optimization
- Strong communication skills, with the ability to interact effectively across various organizational levels.
- Proficiency in English; additional European language skills are a plus.
- Familiarity with data visualization tools (e.g., Tableau, Power BI) for dashboard creation is a plus

FURTHER INFORMATION

As a Controller specializing in Whole Life Controlling and Cost-to-Cost Controlling, you will liaise with our 80 maintenance locations across 23 countries, spanning Europe, North America, North Africa, and Central Asia. Your responsibilities include managing and analysing costs across all our projects and locations, supporting strategic decision-making to drive the right optimization projects. The ideal candidate should be well-organized, have an affinity for technical projects and be proficient in Microsoft Excel. A strong sense of cost management and the ability to effectively communicate financial insights and strategies across various departments are crucial for success in this role. If you are a Data Analyst eager to join a team dedicated to maintaining high-quality, state-of-the-art passenger trains, this is your opportunity!

I AM HAPPY TO HELP

Should you have any questions, please don't hesitate to get in touch. We look forward to receiving your online application.
